## What my Brides say...

‘The best in the business when it comes to wedding hair. Sharon Roberts is exactly who you want with you on the morning of your wedding. I first met Sharon when I was a bridesmaid and immediately called my sister to tell her she had to book her for her wedding. Then it was my turn. Sharon made me feel incredible. She is so knowledgeable about hair, she sees your vision and turns it into a work of art.’

‘On the morning of the wedding, I couldn’t have asked for more. The hairstyle was nothing short of a masterpiece. It held beautifully throughout the day and night, despite the tears, laughter, and endless dancing.’

‘Sharon is a delight - in personality and skill! I've now had the pleasure of having my hair done by her for my own wedding and two others - and it's so nice to know you're in great hands.’

‘She really took the time to understand what I wanted at the trial, and on the day my hair not only looked fabulous but stayed in place all day and night!’

‘Sharon is a true wedding expert and as well as providing an amazing service, she is so knowledgeable and also a great person to have around when you're getting ready.’

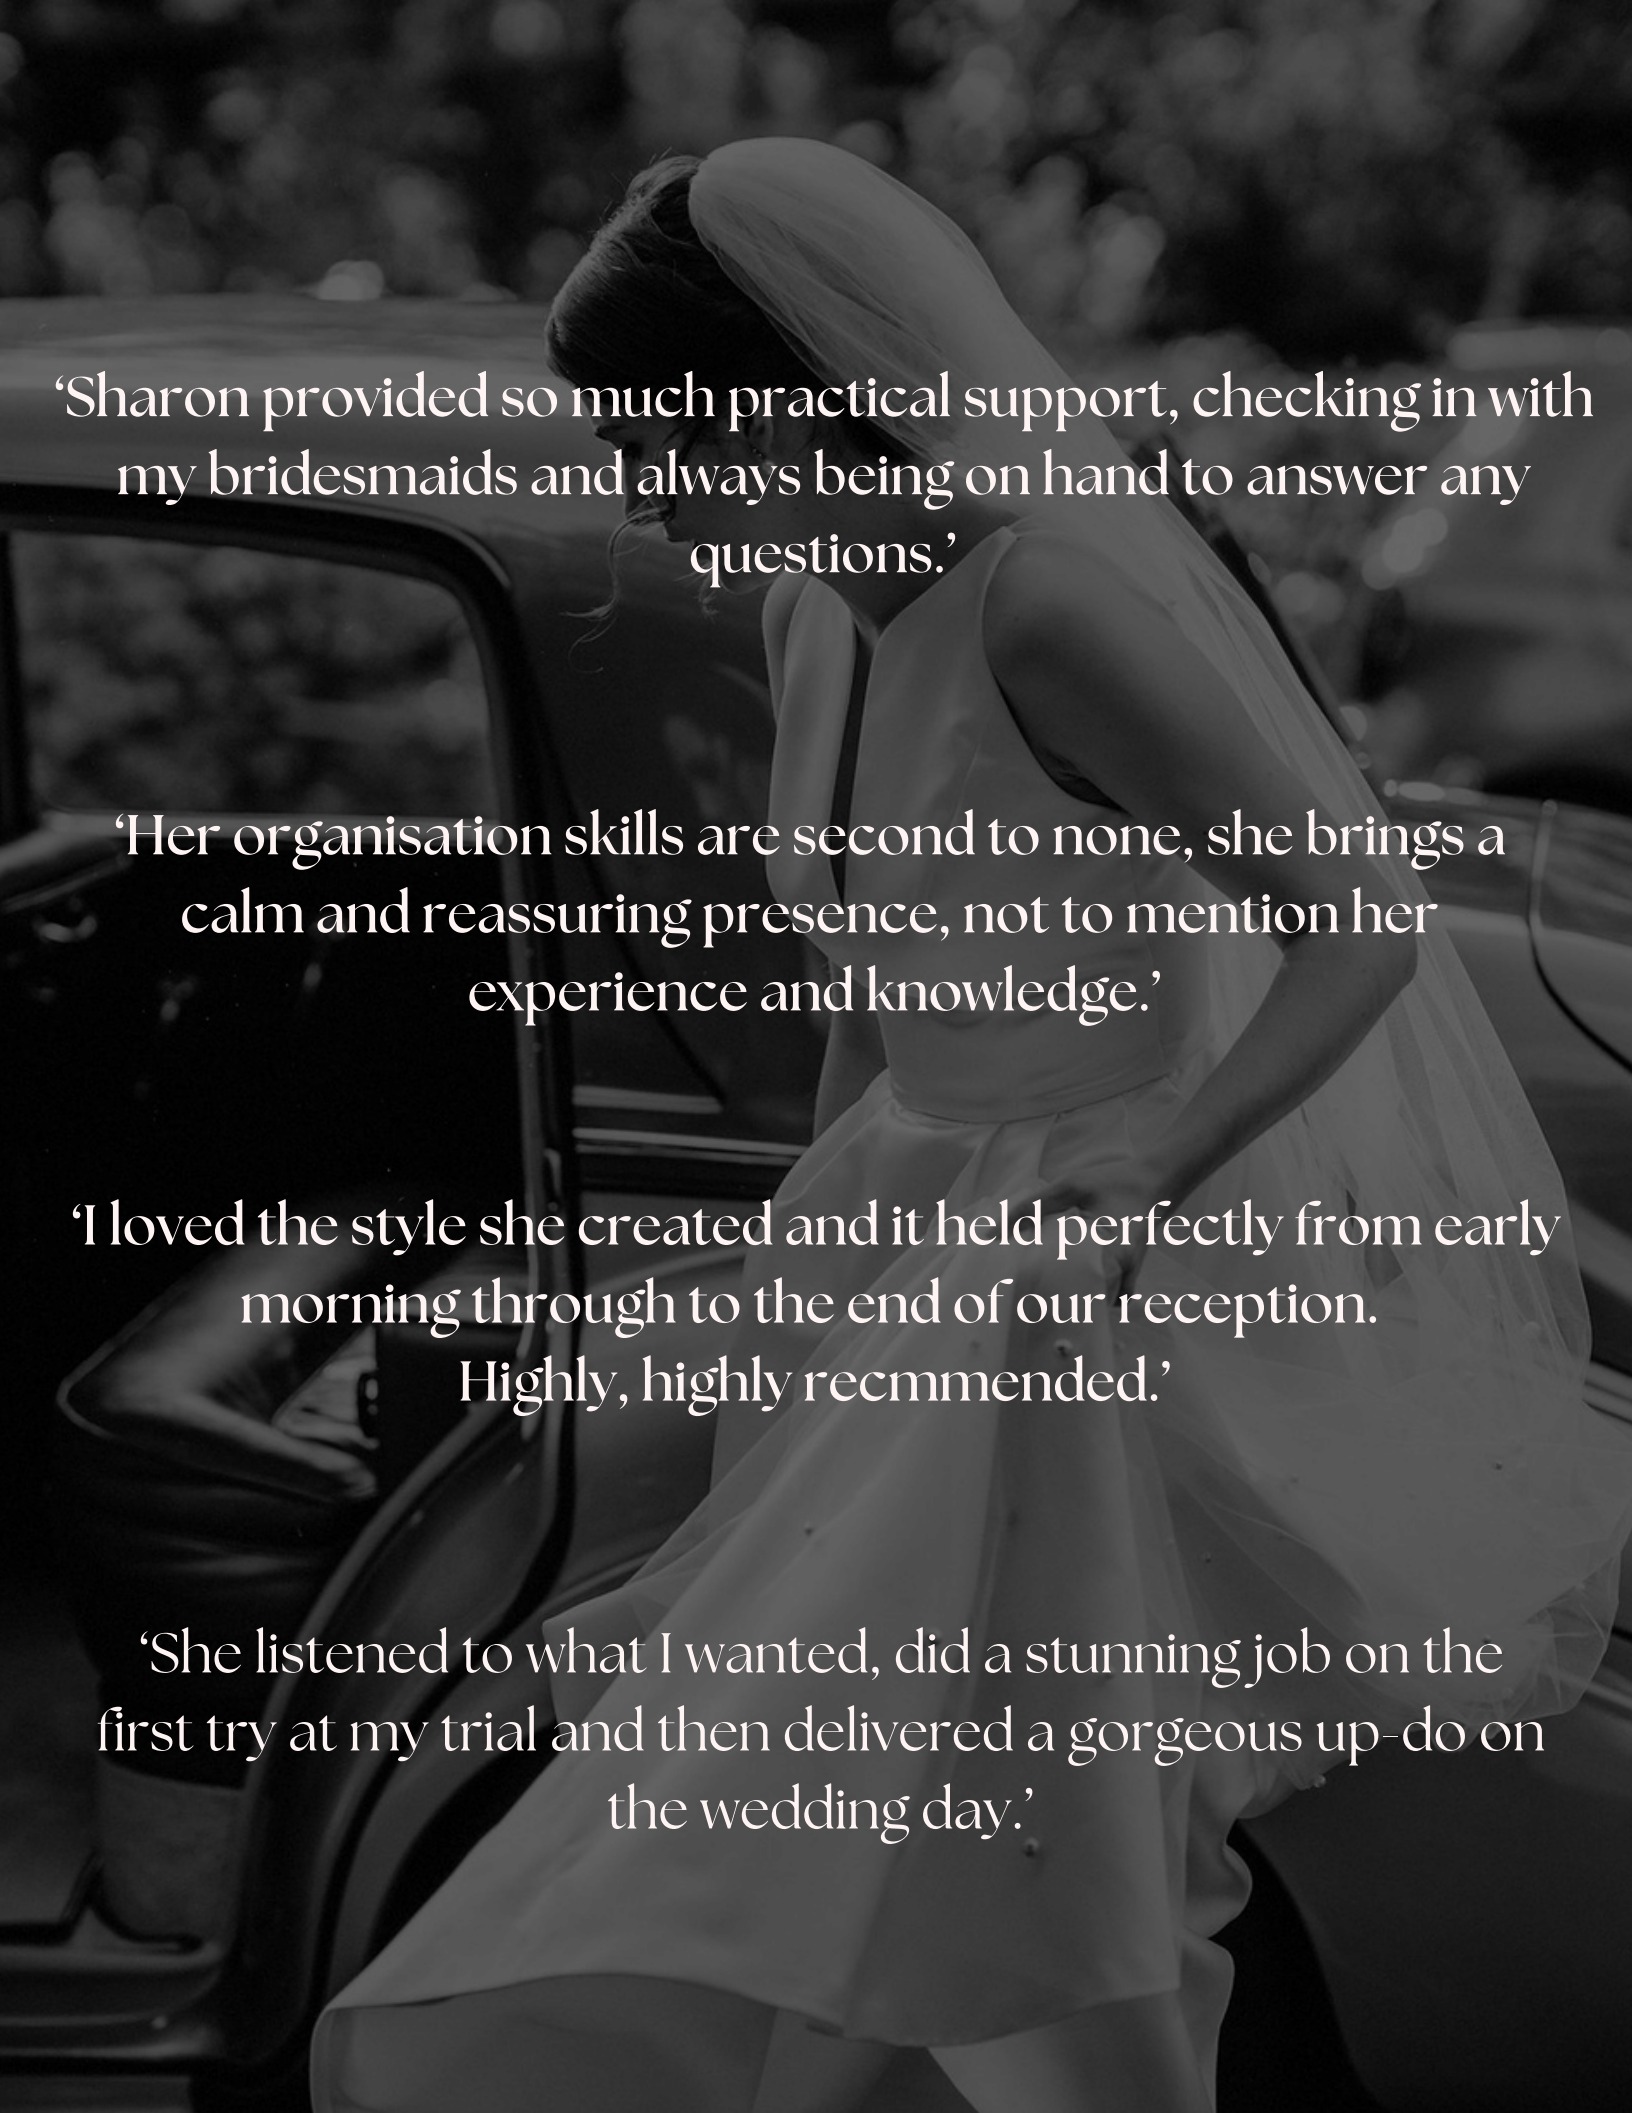

‘Sharon was a fantastic wedding hairdresser. I was so confident my hair would look just as I’d imagined, and it did.’

‘If you’re looking for someone who’s super talented, organised and knows exactly how wedding hair needs to be, Sharon is the woman for you!’

‘I honestly could not have dreamed of a better person to do my hair for my wedding than Sharon. From start to finish she was incredible, so calm, supportive, and helpful, even when things got a little chaotic in those last 15 minutes. Nothing was ever too much for her, she just stepped in and made everything feel easier without even being asked.’

‘My hair was absolutely perfect, better than I could have imagined, and I had so many compliments throughout the day. People were even asking for Sharon’s details and taking photos of my hair because they loved it so much.’

A black and white photograph of a bride in a white wedding dress and veil, standing by the open door of a car. The bride is looking down and to the left. The background is blurred, showing other people and what appears to be a wedding venue.

‘Sharon provided so much practical support, checking in with my bridesmaids and always being on hand to answer any questions.’

‘Her organisation skills are second to none, she brings a calm and reassuring presence, not to mention her experience and knowledge.’

‘I loved the style she created and it held perfectly from early morning through to the end of our reception.  
Highly, highly recommended.’

‘She listened to what I wanted, did a stunning job on the first try at my trial and then delivered a gorgeous up-do on the wedding day.’

‘Sharon was so helpful with wedding morning logistics and made everything feel so seamless.’

‘Sharon is the person you want on your wedding day! During the trial she listens to what you want and is happy to take the time to find different styles until you land on exactly what you want.’

‘On my wedding day, one of my bridesmaids booked Sharon there and then for her own day! Can’t recommend her enough!’

‘The best in the business. Had my hair done as a bridesmaid twice now and will be booking her for my upcoming wedding!’

‘From the very first consultation, Sharon was attentive, understanding, and brimming with creative ideas that aligned perfectly with the vision I had for my big day.’

‘Sharon, from start to finish was amazing. She went out of her way to help, advise and reassure me before the wedding too, which was amazing. I couldn’t have had my special day without her, and I’m forever grateful.’

‘I absolutely loved my half up, half down style. My Mum’s hair looked gorgeous and the bridesmaids hair looked beautiful too. One of my bridesmaids actually said “I didn’t know my hair could look like this!”
